Dear Cindy B,

I would like to amend my FOIA Request 81305 to add:

Records of a run by the NSA as required by Edward Snowden of the documents released by The New York Times, ProPublica and/or its four reporters with a story printed on June 5, 2015 titled "In a Secret Step, N.S.A. Expanded Internet Spying."

The four New York Times and ProPublica reporters by-lined for the story:

Charlie Savage
Julia Angwin
Jeff Larson
Henrik Moltke

The documents released:

Thank you again for a prompt reply and helpful advice.
